

Hi again, Eighth Grade! I'm still praying you are all doing well! I am sad that I am sending you more work for home, and we are not back. But God is in control and has a reason for everything. I miss you and hope you are doing your work. We are continuing *A Wrinkle in Time*. I am trying to find resources to make it more interesting and not just worksheets. Let's mix it up a little! (Bee Movie reference =)] If you can and your parents allow, you can use google.docs to turn in your work. All you need is a gmail address. Then you type your answers on a blank document like Microsoft Word. Please label and number your work if you choose to do this. You turn it in to me by "sharing" the documents on there to my teacher email. cathykow99@gmail.com This will get your work to me earlier, and I can check it. If this is too much for you or your parents don't like this, do it the old fashioned way. Please keep doing your work, and please be kind to everyone. We are living in a historical time. Trust God!

Love in Christ, Mrs. KO
