

Francais Deux,

Hope you are all well and you have been keeping up with your assignments. I pray that the assignments have not been too difficult for you.

We will continue in the workbook for this next group of assignments which will be on your charts. The exercises are the honor system for now, but I will eventually need to see your workbooks.

Once again I am praying we will be together again soon and things will return to normal.

Mrs. Rosio

French 2

	Day	Date	Assignment Due	Is it done?
