Cher Francais Trois et Quatre,

Finish reading the novel Le Voyage. Make a Fr/Eng vocab list for words you have to look up in order to understand each chapter. Then answer the questions at the end of each chapter. You don't always have to use complete sentences. See the chart.

Next you get to read in English for a while! Use the book France Its People and Culture. See the chart for the individual assignments.

At the next drop-off, hand in your assignments and charts. Please put your NAME on all papers and give the page numbers. Also submit any back work. Keep your workbooks; we are not yet done with them.

Hope all is going well for you!
